Digging Deeper

Exploring the bible to equip God's people for kingdom ministry in the power of the Holy Spirit

There is nothing more exciting than Spirit-filled Christians changing the world with the love of God and the impact of His Kingdom. It is what we were made for and what the church is all about. And God has given us two heavenly resources to navigate this great calling: the power and presence of His Holy Spirit, and the wisdom and revelation of His Word.

Digging Deeper is a one-year study course which seeks to explore these two gifts and equip Christians to better engage with them. In the context of worship, study and ministry, students will take part in theological reflection and application, learning how to dig deeper into God's Word to live a more powerful Kingdom-centred life.

The teaching is accessible, relevant and practical, and is centred around a learning community that is committed to reinforcing spiritual foundations. We would love you to join us!

Freddy Hedley
Course leader

Digging Deeper is...

Inspiring: Digging deeper into God's Word to seek His presence and hear His voice in new ways.

Impacting: Inviting the Holy Spirit to lead us as our teacher, guide and transforming healer.

Inclusive: Studying as a local community, to learn from and disciple one another.
